It's been twelve years since we first assembled ourselves as a class and formed a world that revolved around our being a class. These years have been long for some and short for others, but what ever the case we kept struggling towards our goal of completion.

We have now reached our goal and are preparing to disassemble ourselves as a class and reunite with the rest of the world setting new goals to reach but remembering, though we can't return, those twelve years we left behind.

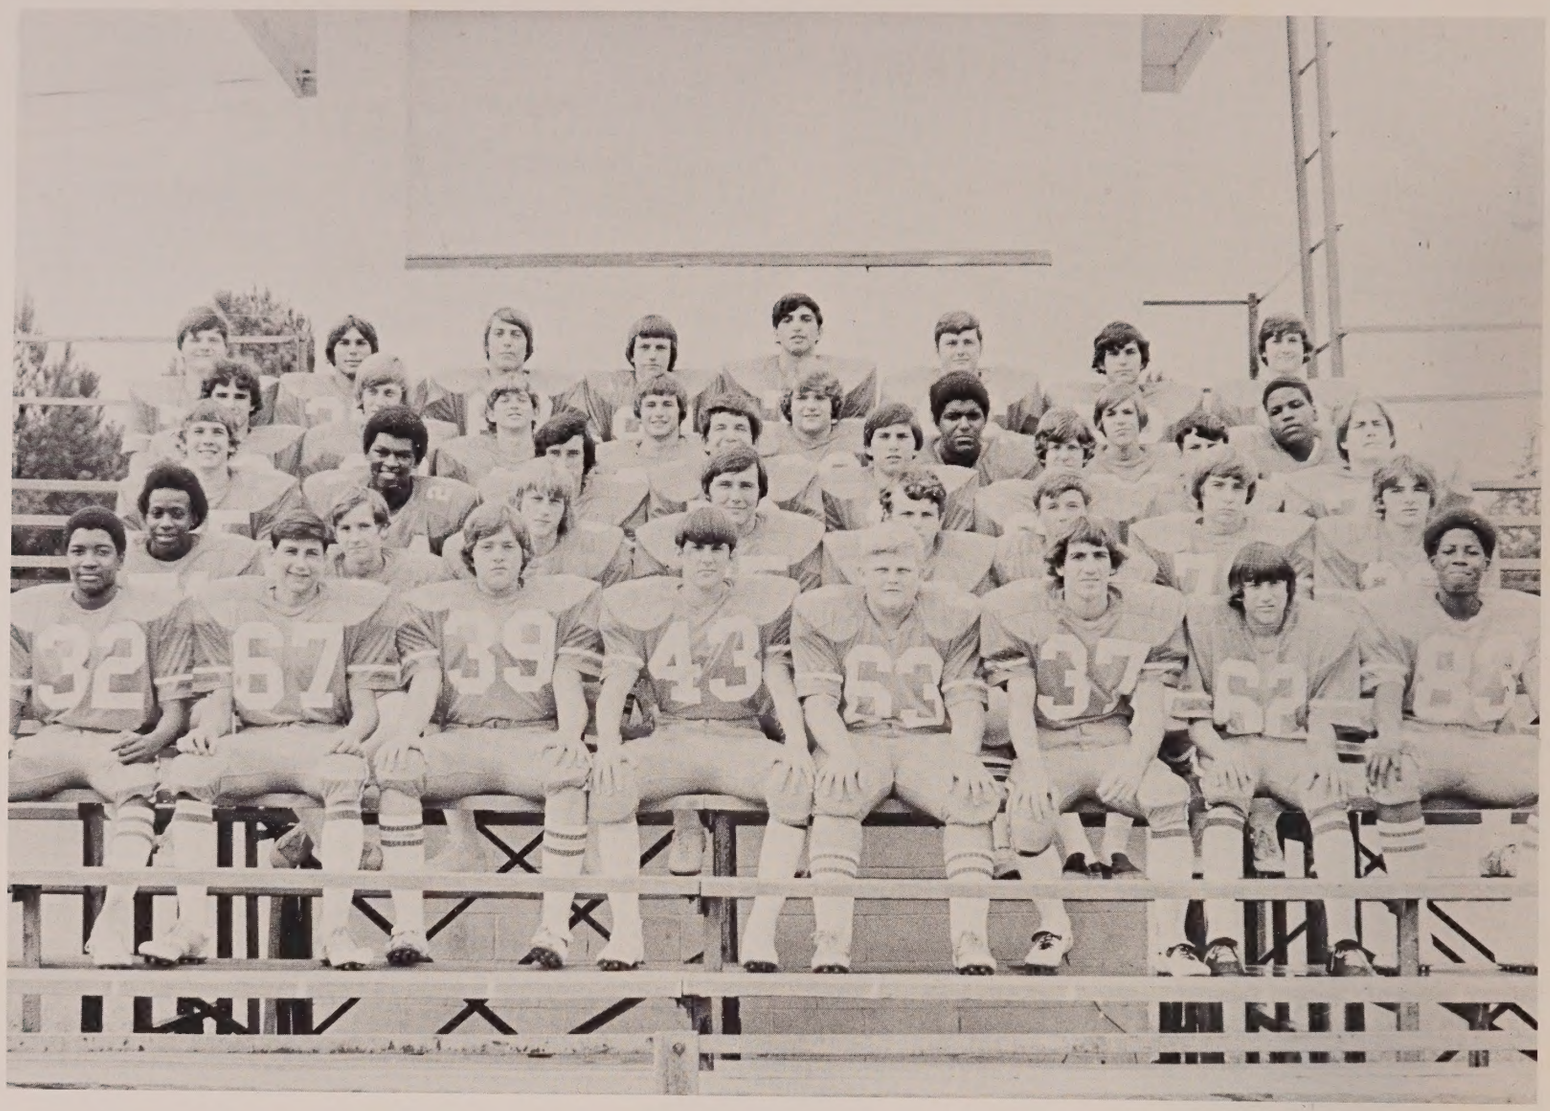
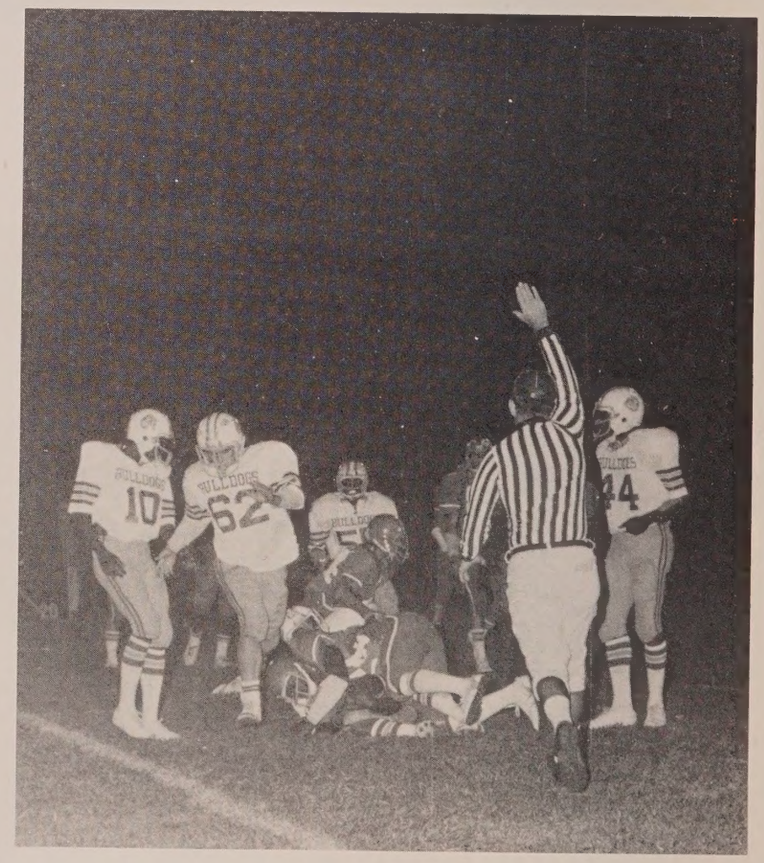
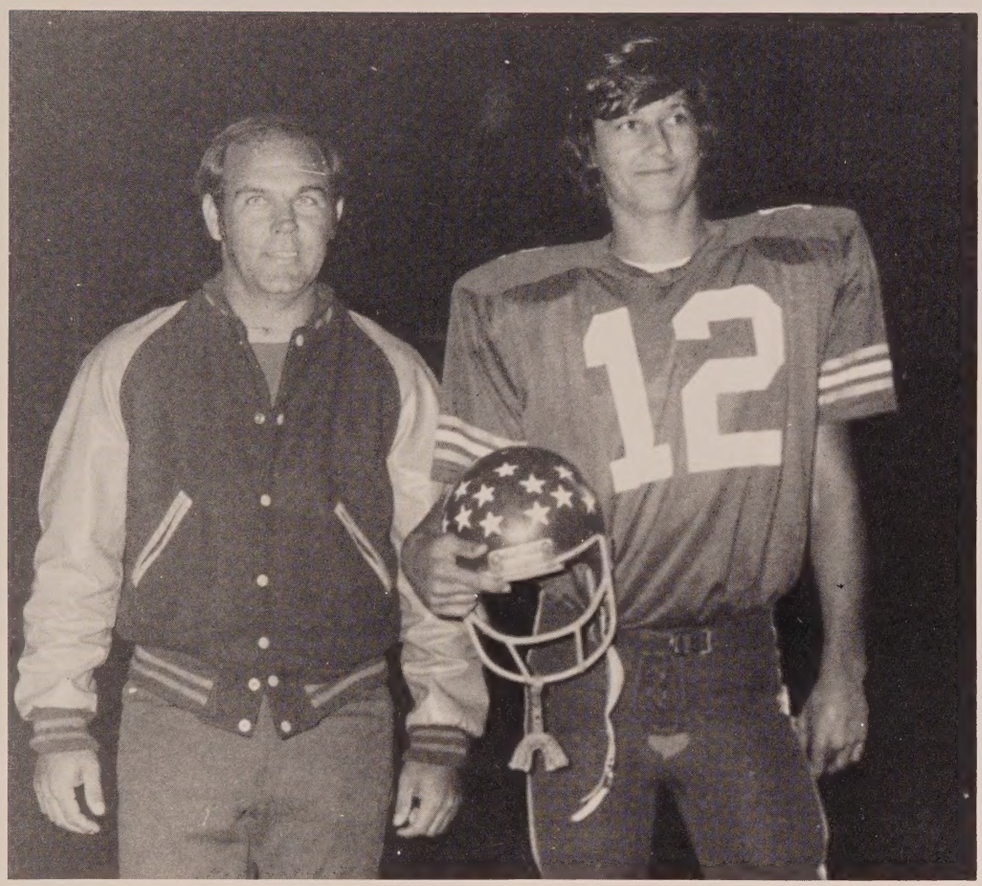
SPORTS





FOOTBALL

Coach James Harrell



The Varsity Football season began in the heat of August. Team spirit and morale were high and everyone involved anticipated a great year. The season started off with a bang as the Mighty Yellow Jackets stomped Cottondale in the Jamboree, 20-0. Then came the first win ever under Head Coach James Harrell as the strong Vernon team gained revenge over the Baker Gators, 26-6. Wins and loses came and went as the ever-shortening season dwindled to a close.
